Dear Mr. Reiser,

I am sorry to hear that one of your letters to me was lost.

Indeed, due to multiple problems with unit 597D, I was moved to 597A. I am very surprised that the Post Office did not simply forward the mail to the right address, but I suppose it cannot be helped.

I hope this letter reaches you without any problems this time, and if you wish to write me a longer letter again, I would be happy to receive it at 597A.

Sincerely,

Fredrick R. BRENNAN
